HUMOR

CONFUSED Doesn't "expecting the unexpected" make the unexpected expected? Why are a "wise man" and "wise guy" opposites? Why do "overlook" and "oversee" mean opposite things? Why is "phonics" not spelled the way it sounds? If work is so terrific, why do they have to pay you to do it? If all the world is a stage, where is the audience sitting? If love is blind, why is lingerie so popular? If you are cross-eyed and have a dyslexia, can you read all right? Why is bra singular and panties plural? Why do you press harder on the buttons of a remote control when you know the batteries are dead?
