Business Meeting: Jack Rosen advised now is the time to bargain hunt for school supplies, but check with Rosen to verify the best price. We are helping two schools this year. The budget will be presented for an in depth discussion. Secretary Bill Zobus reported that programs for the next few meeting are booked. Budget discussion and Senator Jeremy Ring.

Program: Chair of the Day Pete Larson ask Zobus to introduce Alan Johnson and his hobby. Johnson owns eleven boats but his favorite it the Pepsi boat. The hull was made by a local person. The racing is just for fun. If you want the boat to go faster a little extra work is needed, speeds of 75 mph can be achieved. The radio control unit can handle up 10 boats and has a range of about a mile. Yes, the boats can flip and even run into each

other. Once a boat goes under water, speed is needed to dry it and restart. **BOYS AND THEIR TOYS. NEXT!**
